Chilliwack, BC V2P 1N6

Dear Mr. Daneluz:

Re: Official Community Plan for Hatzic Valley. Referral Application Fee - \$300.00 required

Thank you for your correspondence dated July 20th, 2010, concerning the above noted referral.

Upon an initial review of the information you have provided we have determined that your area of interest falls within the boundaries of Kwantlen First Nation traditional territory and represents a potential infringement of our aboriginal title and rights.

Prior to engaging in a more detailed review of the material you provided, we require a Referral Application Fee of \$300.00.

Please submit this fee, made payable to Kwantlen First Nation at your earliest convenience to enable our participation in a review. This fee assists with general administrative costs related to an initial review of your referral and providing timely feedback. Proper consultation cannot occur without informed consent supported by appropriate resources. Accordingly, it is only with payment that proper consultation can begin and the proposed activity/development can be reviewed.

After this review is complete, if it is determined the proposed activity requires a more in-depth review and/or further information is required, we will notify you and seek to negotiate a memorandum of understanding with the appropriate parties to clarify a process for these activities and our dialogue moving forward.

Thank you for your attention to this matter. Should you have any questions related to the above or require further information, please contact me during regular business hours at 604.888.2488 (Ext. 226) or via email at brenda.fernie@kwantlenfn.ca.

Sincerely,

**Kwantlen
