Join us in planning Deroche's future

The Fraser Valley Regional District is looking for volunteers to serve on the **Deroche Advisory Planning Commission (APC)**.

The APC will guide the preparation of a new Local Area Plan for Deroche. This is a great opportunity to have a say in the future development and growth of your community.

What does the APC do?

- ✓ Share opinions on key community plan issues (ie. development & housing, roads, local services)
- ✓ Advise the FVRD Regional Board
- ✓ Provide a voice for community
- ✓ Hold open & transparent meetings for everyone to attend

What are the Local Area Plan boundaries?

The Local Area Plan applies to the Electoral Area "G" portion of Deroche (see the map on back page).

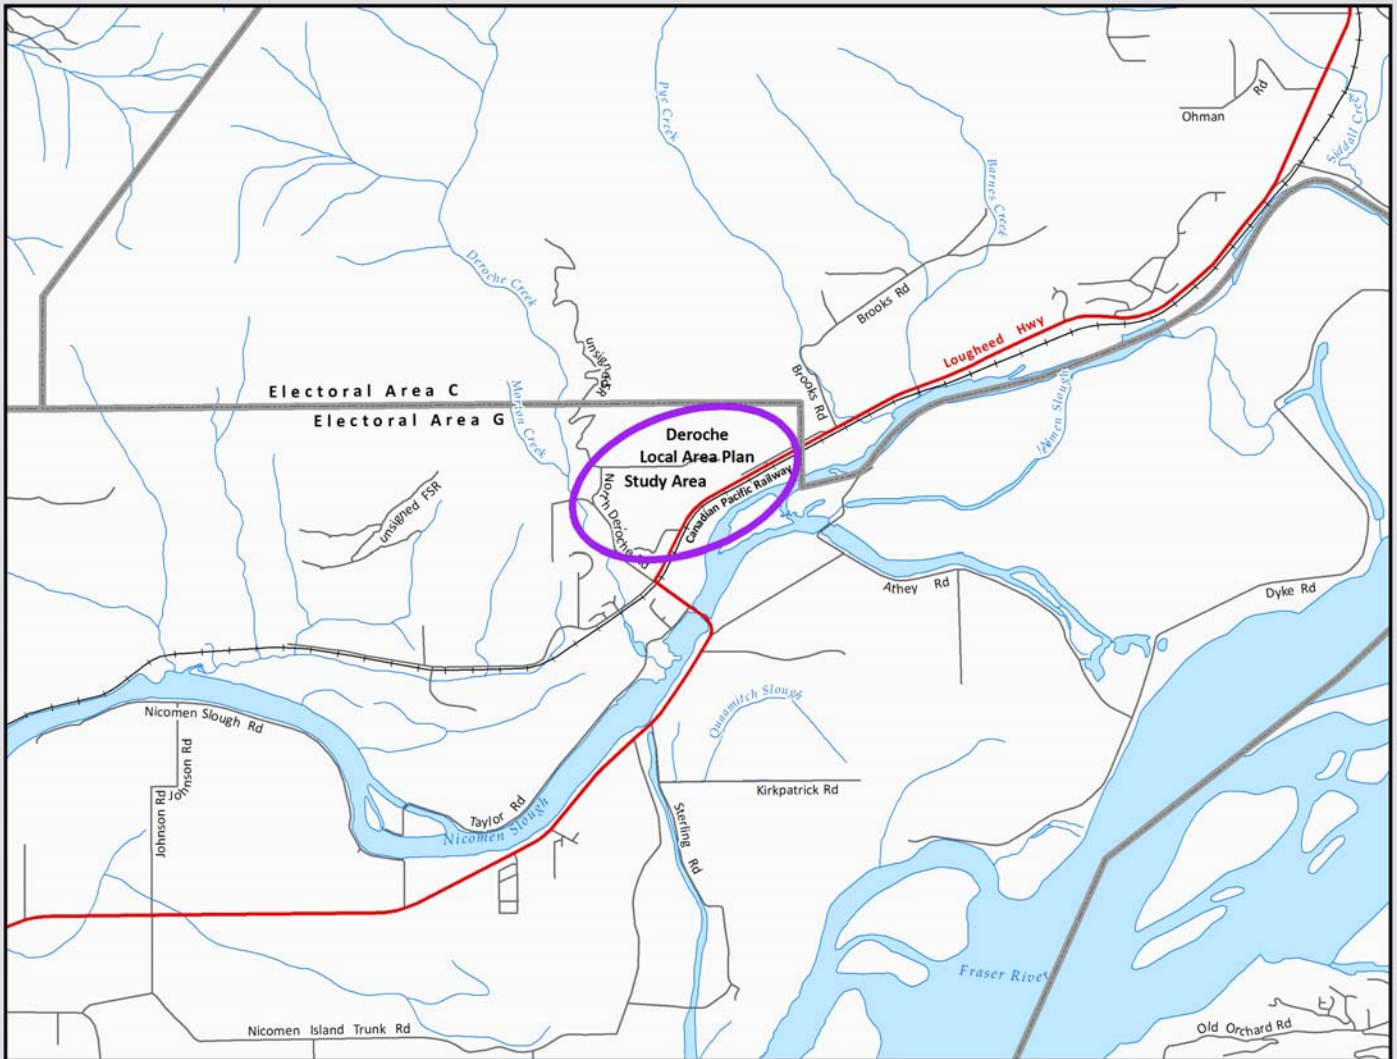

What is a Local Area Plan?

- long term vision for Deroche outlining goals & policies;
- bylaw to guide elected officials, staff and citizens to help make decisions on housing & development, roads & transportation, community services such as water and more;
- maps out how Deroche will progress towards its future.

If you're interested in joining the APC let us know in writing by email or letter indicating your interest, history of community service and relevant skills and abilities by Monday, March 1, 2010.

The Regional Board will review submissions and select the seven APC members at their March 23, 2010 meeting. So get your name in soon!
